### Liberty Elementary School Weekend Food Bags

As an outreach project to help hungry children and their families during the school year, St. Philip's will be providing 10 Liberty Elementary students with a food bag to take home each Friday. The Marysville Food Bank is doing this for about 35 Liberty families, but there are many more who need this help.

Each bag will contain enough to make one easy family meal along with breakfast and snack items for the child. All bags need to have the same items for each of the 10 children to take home. We plan to pack the bags on Wednesday afternoons during the Homework Help Club.

Please consider being a part of this ministry by donating TEN of one of the items from ONE of the lists below, either one time or on a regular basis. Cash donations for St. Philip's Outreach are always needed. We now have a designated Outreach room where we will both store the food and pack the bags for delivery to Liberty.

We would like to invite the groups that meet at St. Philip's and our neighbors to join us in this effort and we will provide a place for the groups to put donation items. Neighbors may drop off donated items on Tuesday afternoons from 3:30 – 5 P.M. and on Sunday mornings between 8 A.M. and Noon.

We are also planning to conduct a neighborhood food drive later this fall.
